

**FIO at Keys Marine Laboratory
2023 Seawater Systems Rates**

Effective January 1, 2023

Year-round temperature-controlled 25°C-27°C

Submit detailed **Seawater Use Request Form (SURF)**

See [2023 Rate Calculator](#) for tank dimensions

See **2023 Facilities Rates: Dorm Use** or **Day Access** fees additional

FIO/KML Administrative Fee (15% of total): Administrative support, scheduling , invoice/billing, etc.

Capacity	# Available	Daily Rate	Monthly Rate
Well System #1 West			
40-gal (set of 3/table)	4	\$15	\$360
60-gal (6' long) in Lab 2	2		
130-gal (6' long)	4		
135-gal (6' long)	5	\$17	\$408
250-gal (12' long)	6		
475-gal (6' diam)	2	\$21	\$504
750-gal (8' diam)	2	\$42	\$1,008
Well System #2 East (old bay system & new NSF)			
Temporarily unavailable; Under construction until Summer 2023			
60-gal (6' long)	6	\$15	\$360
70-gal (3'x4')	8*		
125-gal (8' long)	1		
150-gal stock tank	4	\$17	\$408
220-gal (8')	15		
250-gal (12' long)	6	\$21	\$504
475-gal (6' diam)	2		
750-gal (8' diam)	2	\$42	\$1,008
1000-gal (8' diam)	1	\$50	\$1,200
Shallows Mesocosm 150,000-gal	1		
1-gal flow-thru	All 10	\$10	\$240
8-gal flow-thru	All 8		
12-gal flow-thru	All 6		
12-gal isolated	2 sets of 6		
FWC Coral Tank Farm (No cost with prior review & approval for FWC Coral Rescue projects)			
220-gal (8' long)	12	\$17	\$408
70-gal (3'x4')	8*	\$15	\$360

*two 70-gal tables replace one 220-gal table

NOTE: Please discuss availability with KML staff

FIO at Keys Marine Laboratory

2023 Seawater Systems Rates

Effective January 1, 2023

Reverse Osmosis (RO; aquaculture grade) & **Deionized DI water** (lab grade) available by request
\$0.50/gal for quantities exceeding 5-gal/day

Ancillary KML Equipment Available: Please discuss with KML staff

• In-tank chillers	2	\$10/week	\$32/month
• In-tank titanium heaters 500W	8	\$5/week	\$16/month
• In-tank power heads (tank circulation)	10	\$5/week	\$16/month
• In-tank protein skimmers	6	\$20/week	\$128/month

By prior arrangement with KML staff:

• Temperature manipulation (5-ton heating/cooling)	\$15/day	\$360/month
• Project support, planning, after hours, weekend	\$50/hour	
• Glass/acrylic aquaria - 10-gal to 30-gal	\$2/day	\$30/month
• Wet lab bench space - exclusive use	\$10/week	
• Special project space - with prior approval	\$10/ft ² /week	project footprint
• pH manipulation – plus direct costs for CO ₂ , dosing chemicals, etc.	\$12/day	\$288/month
• Supplemental filtration – direct costs (50μ-0.35μ)	\$30/filter	
• Non-KML Ancillary Electrical Equipment	\$25/week	\$80/month
○ non-KML electrical equipment: freezers, in-tank heaters/chillers, ovens, etc.
